
Jordan Litman, Ph.D.

Phone: +1 813-774-2230

Primary Email: drjlitman@gmail.com

Professional Website: <http://drjlitman.net/>

Major Interests and Areas of Expertise

Epistemic curiosity and its relationship to knowledge-seeking and problem-solving behavior
Health, stress & coping, and tendencies to seek or avoid information relevant to coping
Interactions between personality, memory, emotion and motivation in self-directed learning
Psychometrics, quasi-experimental design, factor analysis, path analysis, and SEM

Scientific Impact

Scopus: $h=19$; Publons/World of Science: $h=17$ (approx. 95th percentile for career stage)

Education

August, 2000	Ph.D., Experimental Psychology, University of South Florida, Tampa, FL
July, 1998	M.A., Experimental Psychology, University of South Florida, Tampa, FL
July, 1994	B.A., Psychology, Arcadia University, Glenside, PA

Appointments and Affiliations

Research

2017 - present	Research Fellow, Center for Curiosity, New York, NY.
2013 - present	Visiting Research Scientist, Institute for Human and Machine Cognition, Ocala, FL
2002 - 2013	Research Associate, Center for Research in Behavioral Medicine and Health Psychology, University of South Florida, Tampa, FL

Faculty

2015 - present	Associate Professor, University of Maine System, Machias, ME (part time)
2019 - present	Guest Professor, Indian Institute of Technology Gandhinagar
2018 - 2019	Visiting Professor, Indian Institute of Technology Gandhinagar
2003 - 2015	Assistant Professor, University of Maine at Machias, ME (part time)
2013 - present	Adjunct faculty, University of North Florida, Jacksonville, FL
2003 - present	Adjunct Professor, Saint Leo, University, Saint Leo, FL
2000 - 2002	Visiting Assistant Professor, University of South Florida, Tampa, FL
1996 - 2000	Graduate Teaching Assistant, University of South Florida, Tampa, FL

Professional Presentations, Invited Lectures, Symposia and Workshops

- Litman, J.A. (2018, November). *Curiosity as feelings of interest and deprivation: Seeking the new and satisfying the drive to know*. Invited lecture conducted at the Exploring Curiosity conference, Amsterdam, Netherlands.
- Litman, J.A. (2018, April). Curiosity as feelings of interest and deprivation, In K.A. Renninger (Chair) & S.E. Hidi (Moderator). *Motivation and learning: What is provocative and/or novel?* Workshop conducted at the annual meeting of the AREA, New York, NY.
- Litman, J. A. (2017, July). *Individual differences in epistemic curiosity and self-regulation: At the intersection of cognition, emotion, and motivation*. In M. Gocłowska (Chair), *Passion for Knowledge: Emotional processes in the face of epistemic challenge*. Symposium conducted at the general meeting of the European Association of Social Psychology, Granada, Spain.
- Litman, J. A. (2016, May). *Epistemic Curiosity: Its role in the self-direction and self-regulation of learning and problem solving*. Invited lecture conducted at the University of Pennsylvania Imagination Institute Positive Psychology Center Colloquia Series, Philadelphia, PA.

Professional Presentations, Invited Lectures and Symposia (continued)

- Robinson, O.C., Demetre, J., Litman, J.A., (2016, April). *Curiosity, adult life stage and crisis*. In M. Murray (Chair), *Ageing in place: Independence and communities*. Symposium conducted at the meeting of The British Psychological Society, Nottingham, UK.
- Litman, J.A. (2016, April). *Epistemic curiosity: Its role in self-directed learning, self-regulation creativity and problem solving*. Invited lecture conducted at the Learning & the Brain conference on the Science of Imagination, Orlando, FL.
- Robinson, O.C., Demetre, J., Litman, J.A., & Stock, J. (2015, July). *The changing pleasures of the new: Trait and state curiosity across the lifespan, preliminary findings*. Invited lecture conducted at the University of Greenwich, London, UK.
- Litman, J. A. (2015, July). *Interpersonal curiosity (IPC) and event related potentials (ERP): Evidence that desire to reduce uncertainty underlies IPC in the brain*. In L. Kaltwasser & A. Hildebrandt (Chairs), *Typical and maximal interpersonal behavior and event related brain potentials and their correlates*. Symposium conducted at the meeting of the International Society for the Scientific Study of Individual Differences, London, Canada.
- Litman, J. A. (2014, July). *The I/D epistemic curiosity distinction, intellectual development and learning over the lifespan*. In A. Scheuer (Chair), *Openness to experience as a protective factor for cognitive ageing*. Symposium conducted at the meeting of the European Conference on Personality, Lausanne, Switzerland.
- Litman, J. A (2013, November). *Curiosity and the pleasures of learning: The I/D epistemic curiosity model and its implications for positive psychology*. Invited lecture conducted at the meeting of the International Positive Psychology Association, Buenos Aires, Argentina.
- Litman, J. A (2013, October). *Epistemic curiosity and its role in knowledge seeking and problem solving*. Invited lecture conducted at the Institute for Human and Machine Cognition, Ocala, FL
- Litman, J. A & Mussel, P. (2013, July). *Cross cultural validity of the I/D epistemic curiosity model: Findings from three German samples*. In A. Strobel (Chair), *Epistemic curiosity and need for cognition: Assessment and correlates*. Symposium conducted at the meeting of the International Society for the Study of Individual Differences, Barcelona, Spain.
- Piotrowski, J.T., Litman, J.A., & Valkenburg, P. (2013, July). *The measurement of epistemic curiosity in young children*. In A. Strobel (Chair), *Epistemic curiosity and need for cognition: Assessment and correlates*. Symposium conducted at the meeting of the International Society for the Study of Individual Differences, Barcelona, Spain.
- Litman, J. A. (2012, July) *Curiosity types and learning goals in academic and workplace settings*. In S. Von Strum (Chair), *Cognitive investment and engagement: Mechanisms, development, and life outcomes*. Symposium conducted at the meeting of the European Conference on Personality, Trieste, Italy
- Pezzo, M.V., Litman, J.A., & Pezzo, S.P. (2006, January.) *Yuppies and hippies: Individual differences in the planning fallacy*. Abstract and poster presented at the meeting of the Society for Personality and Social Psychology, Palm Springs, CA

Professional Presentations, Invited Lectures and Symposia (continued)

Pezzo, M.V., McDougal, S., & Litman, J.A. (2004, January). *The psychology of taking offense:*

A sense-making model. Abstract and poster presented at meeting of the Society for Personality and Social Psychology, Austin, TX.

Musante, L. & Litman, J. A. (2003, March). *Effects of relationship characteristics on perceptions of oral-genital contact.* Abstract and poster presented at the meeting of South Eastern Psychological Association, New Orleans, LA.

Grant Proposals and Funding Awarded

Center for Curiosity, 2017-2021 Grant: *Improving Curiosity Assessment and Cultivating Curiosity in learners* (\$88,375, awarded).

DARPA, 2017–2021 Grant: *Explainable Artificial Intelligence*, with R. Hoffman at IHMC, and in partnership with Michigan Technological University and Macro-Cognition, LLC. (\$5,000, awarded).

Air Force Research Laboratory, 2018-2020, Grant: *Maturing and Evaluating a Concept Mapping-Software Tool for Mental Model Comparison*, with B. Moon, (\$15,000, awarded).

Center for Curriculum Redesign, 2017 Grant: *Improving Curiosity Evaluation & Measurement* (\$25,000, awarded).

Reimagine Education, 2016 Cultivating Curiosity, Gold Award: *Measuring and Enhancing Epistemic Curiosity: Facilitating Self-directed Knowledge Seeking and Problem Solving* (\$7,000, awarded).

Macmillan Science and Education, 2016 Research Grant: *The changing pleasures of the new: Trait and state curiosity across the lifespan.* Co-PI with O. C. Robinson & J. Demetre (\$10,143, awarded).

University of Pennsylvania, 2016 Imagination Institute Honorarium (\$670, awarded).

Learning and the Brain, 2016 Conference Honorarium (\$500, awarded)

Saint Leo University, 2013-2015 Professional Development Funding Grants (\$4,200, awarded)

University of Palermo, 2013 Positive Psychology Grant (\$3,500, awarded)

University of South Florida, 2012 Faculty International Travel Grant (\$2,446, awarded)

Martin Seligman Research Alliance, 2003 Positive Psychology Microgrant (\$2,000, awarded)

National Science Foundation: *The role of epistemic curiosity in reasoning about indeterminate causality*, Co-PI with R. R. Hoffman (\$367,003, in development)
